CHURCH GROWS FROM MISSION IN WEST ELBA

The West Elba Mission of the First Baptist Church was constituted into the West Side Baptist Church at all-day services Sunday, Nov. 3. Regular services were held with Sunday School at 9:45 a.m. and church services at 11 a.m., followed by a basket dinner served on the grounds to approximately 300 people.

Constitutional services began at 2 p.m. at which an interesting and impressive program was rendered. The Rev. Collis Cunningham, State Secretary of Negro Work in Alabama, whose home is in Montgomery, welcomed 93 charter members into the new church. A number of visiting ministers were present, together with a large attendance of members and friends of the new organization.

Historical Facts
Melvin Boozer, representing the parent church, gave the following historical facts pertaining to the Mission.

"The exact beginning of the Mission is uncertain. I recall that on Bro. Seay's first visit to Elba in 1950, we drove through New Town and discussed the potential for another church in Elba.

"In April of 1953, Bro. Strozier and Bro. Seay made plans for a Bible School and Revival to be held in the Association tent in June, later postponed until Aug. 17.

"In July, 1953, the Brotherhood of the First Baptist Church voted to sponsor this Mission and during the week of August 10, members of the Brotherhood set up the tent for the Revival which began Aug. 17.

"During the revival, pastors of the Association took turns in preaching. They were: Bros. Storier, Seay, McGiff, Reese, Messick and Greer. J. W. Moody, present song leader, conducted the singing.

Property Purchased

"In January, 1954, the old residence property at the corner of Caroline and Williams Streets was purchased.

"Shortly thereafter, Flournoy Whitman donated the other old building which housed the Mission until this present building was erected.

"After the revival in 1953, the Mission School was started with Bro. and Mrs. Strozier giving their aid. All during the fall and winter, Bro. Strozier drove a bus to haul people to the Mission.

"In October 1953, Bro. Earl Holder was called as first pastor of the Mission and served until July of 1956.

"On Dec. 20, 1956, Bro. C. E. Rents became pastor and is still serving in that capacity.

Pastorium Purchased

"In March, 1957, work was started on this building and in May, 1957, the W. Kay Farris property adjoining the church property was purchased for use as a pastorium. It has been remodeled and is now well adapted for that purpose.

"On the first Sunday in July, 1957, the first services were held here."

"To single out individuals who have been instrumental in reaching the present time would be an impossibility, for every one who has helped has played an important part, but I would like to recognize the members of the Mission's committee who have worked earnestly, faithfully, prayerfully in leading this work to the present time: "Red" Sharpless, Alva DeVane, John Lowery and John B. Clark.

"And so, as we constitute this Mission into a full-time Baptist Church, we can see the results of God's people working together.

"Scripture—And so we build the Church, for the People had a mind to work."

Modern Property
The new West Side Baptist Church has a very attractive and commodious church plant, modern equipped.

Until the institutional services held Sunday, the Mission has been sponsored by the

Gets Navy Wings

Corpus Christi, Tex.—Designated a Naval Aviator Oct. 11 at the Naval Air Station, Corpus Christi, Texas, Navy Ensign John H. Farris, son of Mrs. F. A. Farris of Elba, Ala., has his wings pinned on by Rear Admiral E. S. Clarke,

Corpus Christi, Tex.—Designated a Naval Aviator Oct. 11 at the Naval Air Station, Corpus Christi, Texas, Navy Ensign John H. Farris, son of Mrs. F. A. Farris of Elba, Ala., has his wings pinned on by Rear Admiral E. S. Clarke,

Chief of Naval Air Advanced Training. He has completed 200 hours of flight time to receive his wings, and will be assigned to an operating squadron in the fleet, upon completion of his flight training.

Officer to Close

At the same time it was announced that Elba Exchange Bank, city and county offices will close. Schools and manufacturing plants will operate as usual.

Culver Post, No. 42, American Legion, will be in charge of the chapel program at Elba High School and Post officials asked that all business places and homes display the American flag for the day.

A barbeque dinner will be served at the Legion Hut, Troy Highway, Monday at 7 p.m. to which all war veterans, whether members of the post or not, have been invited.

Proclamation Issued
Mayor H. C. Taylor issued a Proclamation calling upon all citizens and residents to observe Veterans Day by displaying the Flag of the United States of America from every home and building, and by joining the American Legion in a silent prayer for peace and national solidarity.

"There is a pressing need," the Proclamation says, "to demonstrate clearly to the world that the citizens of the United States, while they may differ on domestic issues, have always and do stand together in the face of common danger."

HOUSING PROJECT
The Federal Elba Low Income Housing Project, under construction as an addition to the 20 unit project constructed several years ago, is making good progress.

The brick construction work has reached the door and window stage and will soon present a well-advanced appearance.

The white housing project comprises 26 units in 13 duplex buildings, located adjacent to the former 10 units on land formerly owned by Mrs. Eunora Farris.

The colored project consists of 3 duplex buildings, of 3 dwelling units each. It is also of brick construction and is located adjacent to the former colored housing project, near Mulberry Heights School. It makes a total of 12 colored units.

They are: Jimmy Jones, M-Sgt.; Billy Gies, T-Sgt.; John Norman, S-Sgt.; Lamar Hall, Sgt.; Bubba Pinchard, Sgt.; Harold Cain, Cpl.; Sammy Carnley, Cpl.; Terry Pick, Cpl.; Jerry Brown, Pfc.; Kenneth Hard, Pfc.; Ricky Banton, Pfc.; Sonny Waters, Pvt.; Billy Bruce, Pvt.

COLORED JUNIOR POLICE
To supply the popular demand, Chief Dunaway has organized a colored Junior Police force and has been functioning efficiently in directing traffic in the Mulberry Heights School section for approximately a month.

Chief Dunaway said Saturday that the boys' caps, belts, badges and white whistles arrived last Wednesday and the boys are very proud of them, and are performing an outstanding job. The colored Junior Policemen are:

Douglas Lee, S-Sgt.; Delacy Guy, Sgt.; James Coleman, Cpl.; Wilson Cole, Pfc.; Charles E. Lee, Pfc.; Bobby Bullard, Pvt.

With two well-organized Junior Police forces directing traffic at both of the Elba public schools, it is thought probable that accidents in the school sections will be held to a minimum.

"BUCK" MAKES OWN LUCK
When Coach Frank Buckner, former Elba High School Coach, attracted wide attention when his Blakeley, Ga., Bulldogs won their 26th straight game by defeating the strong Donalsonville eleven Friday night, 18-0.

When "Buck" began winning games with his Elba Tigers by what looked like "getting the breaks," I went so far as to say "Burgess and Buck had all the luck when they whipped seemingly better teams by getting the breaks." But when Buck went on to football and basketball glory at Elba and Blakeley, I am convinced that Buck makes his own luck.

With Elba's Gerre House as Superintendent of Blakeley's schools and Frank Buckner as Coach of Blakeley's Southwest Georgia championship football

team, Elba friends have reason to be proud of both of them.

ABOUT PEOPLE AND THINGS
By C. B. McDowell

BREVITY THE SOUL OF WIT
There is a lot of wisdom in Hamham's observation that people appreciate what a person says more if it doesn't take him too long to tell it.

JUNIOR POLICE GOING STRONG
Police Chief Bow Dunaway's force of 14 white Junior Policemen are making an outstanding record in directing the dense traffic at the numerous street intersections within the school section of our city.

Since the beginning of the school year, many thousands of motor vehicles and pedestrians have been safely directed without a single mishap. This includes the difficult handling traffic at football games. Chief Dunaway says he is proud of his Junior Police Squad and there is no question about its value to the safety of the schools in particular and the public in general.

They are: Jimmy Jones, M-Sgt.; Billy Gies, T-Sgt.; John Norman, S-Sgt.; Lamar Hall, Sgt.; Bubba Pinchard, Sgt.; Harold Cain, Cpl.; Sammy Carnley, Cpl.; Terry Pick, Cpl.; Jerry Brown, Pfc.; Kenneth Hard, Pfc.; Ricky Banton, Pfc.; Sonny Waters, Pvt.; Billy Bruce, Pvt.

Extend Honors To Top 4-H Youth

HONORS will be extended to high-ranking 4-H boys and girls during the 34th national 4-H Club Congress to be held in Chicago December 1-5, 1957, when outstanding achievement records bring rewarding trips to more than 1300 club members. As businessmen offer a hand to scores of nationally known individuals and business concerns express their admiration of deserving boys and girls by giving them the "time of their lives" during the Congress.

Over two million 4-H Club members will be represented at the 4-H Congress in the Windy City, boys and girls from the 48 states, Alaska, Hawaii, and Puerto Rico will register for the annual event. In addition to all expense free housing, state, regional and national winners, 218 college scholarships totaling \$82,125 will be awarded.

Sharing the responsibility for providing these incentive awards are individuals and business enterprises that cooperate in furnishing the funds and philosophy of 4-H work. They also make possible the many wonderful and new ways of presenting the 4-H message to approximately 40 different types of projects and activities have been announced by the National Committee on Boys and Girls Club, which sponsors the programs in cooperation with the Extension Service.

Nearly half a million dollars in scholarships and awards are offered annually to teen-agers. The 34th 4-H Congress gives recognition to those who have shown exceptional leadership and ability. Throughout their Club careers they have been guided and inspired by local leaders and others interested in 4-H work.

Receiving the list of donors of the 1957 awards is the President

Soil Conservation Service News

By T. C. Self & Joe Wildman

Haywood Taylor of Elba, believes in good land use through out the year. Haywood says "cows like to eat in the winter as well as in the summer." He has seen to it that his cows have plenty to graze in both seasons of the year.

He has Bahia and coastal bermuda overseeded with certified reseeded crimson clover. This frost-killed clover turns green again in the spring. The crimson has come back to a better stand each fall.

The cream of the crop according to Haywood is 18 acres of lowland. This was seeded to fescue and Am-a-white clover

Six Coffee County Families Share Homes With Someone Else's Children; Need More

Six families in Coffee County are now sharing their homes with someone else's children. Mrs. Grace M. Ebert, Director of the Coffee County Department of Pensions and Security, said that these homes are licensed and operating under the supervision of the Security Department.

She added that there is a definite need for additional homes and asks that any family interested in sharing home with a neglected and dependent child is asked to contact the County Department of Pensions and Security for more information about the board.

Through the Keyhole

BY MRS. ROBERT CANNON

FAT BLACK SPIDERS sat in magnificent rope web which had been spun from corner to corner of the large living room. An occasional bat was disturbed in his reverie by a gust of wind from the opening door as the guests continued to arrive at this really unusual Halloween party.

The buffet table was laden with all the good food we come to expect from an invitation to dine at Helen Ripley's. This affair was no exception, and we all made for the many trips to the table.

Everyone enjoyed supper and commenting on the costumes

devised by the others. Jo Anne and Eugene came as a Chinese couple, complete with a black wig pulled over the head and a long black robe. Eugene wore a black "Asian" hat and Jo Anne wore a black "Asian" dress. They were very convincing as they danced to the music of the band.

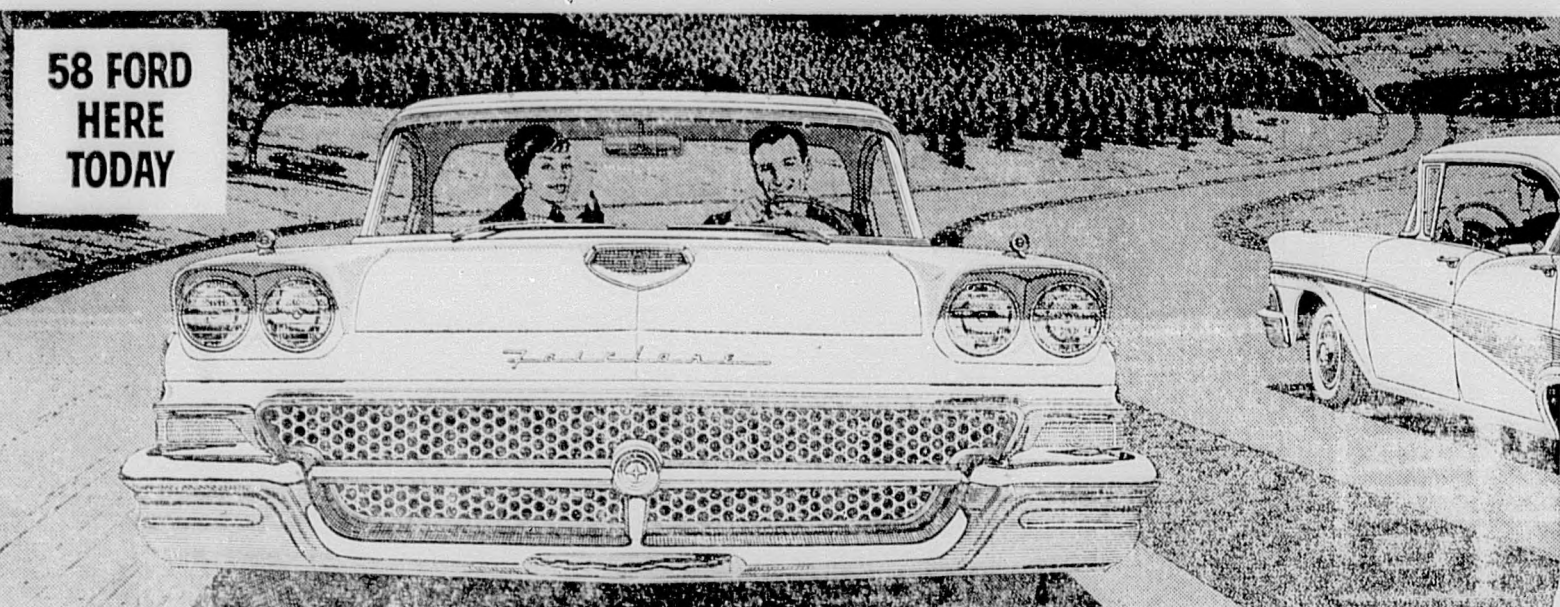

Speaking of Halloween, the oldest trick to come knocking at our door was a curly headed mopet dressed in a leopard skin outfit completely with ears, whiskers and tail. He was more than Mary Collier looking like such a doll, she reminded me of the little Debbie Lindsey who, ed the Halloween Carnival by arriving in a pink bunny rabbit suit with pom-pom tail and long ears. Both sights to remember.

WELCOME BACK HOME is our greeting to the Ed Gingles, who are living here again. The enthusiasm that greeted their arrival at an earlier football game was evidence of the many friends they have in Elba.

HAVE TRIED UNSUCCESSFULLY to get in touch with

Proved and approved around the world and now it's here for you... the 58 FORD

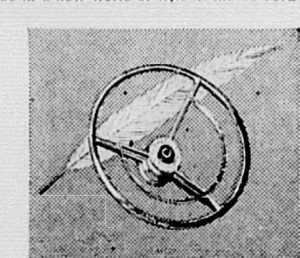

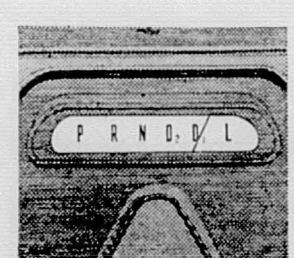

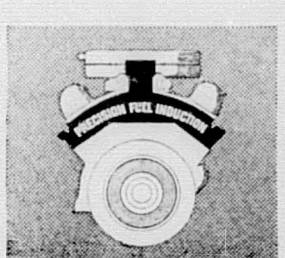

One look tells you... there's nothing newer in the world!

New deep-sculptured styling
New Interceptor V-8 power
New Cruise-O-Matic Drive
New Ford-Aire Suspension
New Magic-Circle Steering

The 58 Ford is the newest car in the world—the only car ever to meet a world-wide test and win world-wide approval before its public premiere.

Here's a car so new, so beautiful, it made eyes pop from Paris to Pakistan... a car so rugged it proved its mettle in a road test around the entire world! What's more, it did it on surprisingly little gas—thanks to new Precision Fuel Injection. Come in and let us show you the world's most beautiful new bargain!

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Injection. There's nothing newer than these engines that give you up to 300 hp. smoother power from less gas! One inch is Precision Fuel Injection, a wonderful new carburetor, fuel injection, and combustion system.

You'll get up to 15% more gas mileage with new Cruise-O-Matic Drive. teamed with the new Interceptor V-8. New 50 position, used for all normal driving, lets you move smoothly, automatically—with just a touch of your foot—into solid feeling low gear, right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. Four air pillows literally soak up the bumps! And Ford-Aire suspension reveals the car every time someone steps inside or luggage is loaded. An extra coil spring, too, gets all this at traditionally low Ford prices!

You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free-moving steel balls in the steering mechanism are virtually friction-free—give you the closer thing yet to power steering! Come in and try it!

Come in today... Action Test America's only world-proved car!

FORD CHANGES ARE EXTENSIVE IN 1958 MODEL

The 1958 Ford car line featuring major styling changes, the most efficient engines in the car's history, a new automatic transmission and new optional air suspension, will go on display at Ford dealerships today. J. O. Wright, Ford Motor Company vice president and Ford Division general manager, has announced:

"At a cost of \$185,000,000 we have developed a new Ford that incorporates some of the most extensive changes ever made in the car." Mr. Wright said.

Historically, auto companies have made basic changes in their cars every three years, he pointed out.

"But in the 1958 models, Ford has actually created a fundamental design and engineering change just one year after its complete new 1957 model, he said.

Demonstrating this change are twenty-one models on two separate wheelbases: the Fairlane and Fairlane 500, with an overall length of 207 inches, and the Custom, Custom 200 and the station wagon, measuring 202 inches.

The external appearance of the new car features Ford's sculptured-in-metal treatment in which styling lines are

SWEEPING STYLING CHANGES ARE APPARENT IN THE 1958 FORD CAR LINE. The Fairlane 500 (left) and Fairlane (right) show all new Ford styling changes, as new safety dual headlights, corrosion-proof anodized aluminum grille, power flow hood, slip stream roof, sculptured inverted V trunk lid and twin safety taillights. Engineering and design advances include new engines, new V-8, O-Matic transmission and optional Ford-Aire suspension. The new Ford car line will be on display at Ford dealerships on November 7.

folded into the sheet metal itself.

The new distinctive styling is emphasized in a front view of the massive wrap-around one-piece bumper with anodized aluminum "jet intake" grille, dual headlights, and Power Flow hood. New sheet metal treatment incorporates designed front fenders, new roof with seven front-to-rear flutes or grooves, and trunk lid and rear quarter panel innovations.

From the rear, the 1958 Ford is distinctive with a "V" sculptured lid flaring into twin safety oval taillights.

Hutchinson, 4-H Club teacher, received reports on the year's projects. Landis Parker acted as club reporter.

Party Is Given For Adkinson Twins On Fourth Birthday

"Happy Birthday Partners" was the inscription on the cake served to Stevie and Ricky Adkinson and their guests on the twins' fourth birthday, on Oct. 25. Stevie and Ricky are the sons of Mr. and Mrs. Wayne Adkinson.

Those who attended were: Mark Vaughan, Nina Meacham, Johnny and Melanie McClellan, Stevie, Joey and Janet Daniels, Donna, Rhonda and Vicki Crook, Rhonda Wise, Greg and Larry Bowman, little Mickey Marler, the honorees and their little sister, Louisa.

ALABAMA GETS 5,000 MILES OF PAVED HI-WAYS

National attention is being increasingly focused on Alabama's continuing progressive multi-million dollar road building program.

Industrialists seeking sites, and tourists seeking good, safe highways, are paying more attention to Alabama's highways.

Latest official State Highway Department reports show the State spent an estimated \$9 million on road building for the 1956-57 financial year which ended Sept. 30, as compared with the \$4,570,345 actually spent on road construction between Oct. 1, 1955 and Sept. 30, 1956. In the year 1954-55, the sum spent on road building was \$4,584,704, most of it during 1955.

Most in 1955
These records also show that Alabama added no less than 2,125 miles of paved highways last year, and another 3,016 miles of roads added totalled 1,414, again most of them during the year 1955.

Therefore, since Oct. 1, 1954 through Sept. 30, 1957 some 5,550 miles of paving have been added to Alabama roads, or about 5,000 miles since January 1955, for an all-time record as compared with any comparable period.

Alabama's who travel much within the State have noted and commented much on these new roads, particularly the increasing number of local roads as well as the major four-lane on the main highway system.

YOUTH HONOR DAY
Oct. 31 has been proclaimed Youth Honor Day in Alabama by Gov. James E. Folsom.

Step in... NEW FORD TRUCKS for '58

NEW TILT CAB TRUCKS... Lowest priced tilt cab truck in America!

NEW '58 FORD PICKUP... Modern Styline body is as wide as the cab and standard at no extra cost!

NEW capacity! Extra-wide Styline pickup bodies have 25% more loadspace than any other competitive pickup... Biggest loadspace per dollar!

NEW easy ride! Scientific Impact-O-Graph ride tests have proved amazing superiority of Ford's suspension over competitive pickups... a ride eighty miles to that of a car!

NEW comfort! Divorced Cabs have no-rung seat springing, suspended pedals and weather-protected loadbed steps.

THE BIG FLEETS BUY MORE FORD TRUCKS THAN ANY OTHER MAKE! FORD TRUCKS COST LESS... LESS TO OWN... LESS TO RUN... LAST LONGER, TOO!

THE ELBA CLIPPER

Thursday, Nov. 7, 1957

From Our Early Files

22 YEARS AGO
Mr. and Mrs. F. A. Farris and daughter, Mrs. W. A. Bell, and the latter's children, Frances and Sonny, helped to make Mr. Farris' 84th birthday anniversary a happy occasion by carrying a basket of good things to eat to the home of Mr. Martin Van Buren Farris, West of Elba, Tuesday of last week. They found the second oldest married couple in Coffee County in high spirits and all present spent an enjoyable day. Coffee County's Democratic Executive Chairman says his father greatly appreciates having his children and friends visit him and urges that all should make their visits more frequent.

Willie Bryan, who has one of the prettiest cotton fields I have seen this year, beyond the Elba-Brantley highway, still has a cotton square from which two fully developed bolls grew. Mr. Bryan said he has been raising cotton for many years, but he never before saw two bolls grow out of one square. He said his cotton opened later and stayed greener longer than that of his neighbors and yielded more to a bale an acre.

One of the most exciting and closely contested beauty shows ever held in Southeast Alabama was staged at the Elba Theatre Tuesday night, sponsored by the Fidelity Club of the Elba Baptist Sunday School. Some fifty merchants and individuals sponsored approximately three dozen of the Henderson household.

Mrs. Georgia Larkins and the T. T. Rhodes family, who reside next door, reported that a pole raised their chicken house the night before and

Auto Deaths Lead In Accident Toll
MONTGOMERY—Accidents claimed 150 lives in Alabama during July, according to a provisional report prepared by the State Health Department's Bureau of Vital Statistics.

The kinds of accidents reported are listed with the number of deaths caused by each during the month: Motor vehicle 78, public non-motor vehicle 29, horse 24, occupation 14, and undetermined 5.

A tentative powder may soon be on market, according to the U. S. Department of Agriculture. The powder mixes readily with water to make a highly acceptable juice for the use in sauces, soups, juice, and dry mixes. It can be used indefinitely without refrigeration.
